Name of Student : Vusumuzi

Student number : 21918798

Company Name : Mangosuthu University of technology (innovation lab)

This is a report for the week stating 13 march   and ending on the 17 march

Date / Day	Description of the tasks done and technologies used
13-march-2023	Make app send email automatically
14-march-2023	Bank Seta Meeting
15-march-2023	Preparing documentation for the app
16-march-2023	Presentation of the app we built
17-march-2023	Adding add removing features from app suggested on the meeting on the 16th

 Explain what you learnt this week and outline technical challenges that you faced during the week

Technical
- leant to use Git and GitHub since we hand to use it to collaborate with my team to build the app
- most challenge I had this week is to resolve git merge conflict

Non-technical
-
